## Brenda Robinson Invited to Meet the Queen of England

Brenda Robinson, President of Environmental Solutions, Inc. was recently honored to be selected by the Office of the Governor as one of a handful of local business leaders invited to meet Queen Elizabeth II during her recent visit to Richmond, Virginia. Brenda and her daughter, Lori Tiller, braved the fickle weather to attend the event held on the grounds of the Capitol. During the visit, Brenda and Lori were able to capture photographs of Queen Elizabeth II and Prince Philip as they greeted well-wishers in the square. "I was so honored to be chosen for this once-in-a-lifetime opportunity to meet Her Majesty. I was amazed by her presence and her genuine love for the people of Richmond. It was evident that she was touched by the outpouring of support from those she greeted."

About ESI: Since 1990, Environmental Solutions, Inc. (ESI) has dedicated itself to providing environmental solutions integrating innovative processes, state of the art technology, and economics. ESI offers training and consulting, as well as, project development and management, using the Environmental Management Systems (EMS) principals. In addition, the company markets green products created as a result of projects managed by ESI. Environmental Solutions, Inc. is a closely-held, woman-owned business headquartered in Richmond, Virginia. ESI's President, Brenda Robinson, has more than 15 years of experience in a Fortune 500 company and more than fifteen years experience with technology-based businesses and co-founded ESI with her late husband, W. W. "Phil" Robinson. ESI's solutions are applicable, successful, and repeatable, working within your unique organizational requirements. For additional information on how ESI can assist your organization in turning waste (by-products) from a liability into an opportunity, visit us online at [www.envirsol.com](http://www.envirsol.com) or call 804.740.5605.
